La Hacienda Interiors has been importing furniture for ten years providing beautiful products throughout Canada. Initially starting with furniture from Mexico, we have now expanded our line to the Far East.

Irish Coast, Lifestyle, Cornwall, Settler, and Rococo make up our reclaimed collections. Made of 100% recycled solid pine these collections feature many details that enhance the product such as dovetail joints, tongue and groove construction, hand finishing with European oil stain and environmentally friendly.

Stonehurst Collection is made of plantation grown mango wood, hand crafted floating panels, dovetail joints and wooden peg detail. Also environmentally sustainable.
